

# Double chocolate brownies with pecans and salted butter caramel |

**Recipe for 4 servings**

## **Description**

Double chocolate and pecan brownie with a salted butter caramel.

Never forget that butter and chocolate = Love and Happiness.

## **Note**

The right hot temperature of the cream is essential to the success of the caramel. We don't want to create a thermal shock. Also, mixing your sugar too much while it melts at the beginning will crystallize it and ruin the recipe.
